Solentro-school, lesson 4:

Our web application support all established browsers (Explorer, Firefox, Safari). However, if you are using Internet Explorer 9 (IE 9) you need to click on the icon Compability-view in the address field (next to the Update-button) - see the image below - when you click on it, it should change into a blue color.

We recommend highspeed Internet.

Take care!**/Hampus & Tobias Schildfat, brothers and founders**
